

## **Best Practices - I**

### **1. TITLE :**

Academic Excellence by Adapting New Teaching Methods.

### **2. GOAL:**

Our College is an Institution that purposes at training the learners to face the challenges of the modern world. Owing to the advent of information and communication technology, educational practices have experienced incredible variations throughout the world. Our college makes all efforts to offer students with experience to the remarkable changes round the world in relations of technology, knowledge, management and socio ecological realization. Our goal is to deliver an opportunity to assist our students to cooperate and share experiences, emerging values, taking challenges, decision making, and problem solving skills.

### **THE CONTEXT:**

The College goals at altering the youth through quality higher education and to retain pace with the fast altering situation in the job market rote methods of education required a modification.

### **THE PRACTICE:**

Visual teachings through power-point presentations and movies were shown to students. Peer teaching , Role-plays and case-studies were introduced by the departments. Group Assignments were given to students. Workshops on Research Methodology, Communication Skills classes given to students. Extension lectures were given by Subject experts in various departments .

### **EVIDENCE OF SUCCESS:**

There is lot of improvement in daily attendance in the class, enhancement is seen in internal assessments, speaking and listening skills are better. Students came forward to participate in college co-curricular activities .

### **PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED:**

Though most of our faculties used the traditional teaching methods but they adapted to the new teaching techniques with time.
